HOSTETTER'S STOMACH BITTERS!!

In view of the fact that every member of the human family is more or less subjected to some complaint, besides innumerable other conditions in life, which, by the assistance of a little knowledge or exercise of common sense, they may be able so to regulate their habits of diet, and with the assistance of a good tonic, secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life; for this end Dr. Hostetter has introduced to this country a preparation bearing his name, which at this day is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The bitters operate powerfully upon the stomach, bowels and liver, restoring them to a healthy and vigorous action, and thus by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Billious Complaints, arising from a morbid inaction of the stomach or bowels, producing Cramps, Dysintery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, when taken in all its various forms, than any other, the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using *HOSTETTER'S STOMACH BITTERS*, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind, then why not use an article known to be infallible? Every country have their Bitters as a preventive of disease and strengthening of the system in general, and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which has tended to advance the destiny of this great preparation in the medical scale of science.

FEVER AND AGUE.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short space of time, rendering him physically and mentally useless, can be defeated and driven from the body, by the use of *HOSTETTER'S RENOWNED BITTERS*. Further, any of the above stated diseases cannot be contracted when exposed to any ordinary conditions producing them, if the bitters are used as per directions. And as it neither creates nausea nor offends the palate, and rendering unnecessary any change of diet or interruption to usual pursuits, but promotes sound sleep and healthy digestion, the complaint is thus removed as speedily as is consistent with the production of a thorough and permanent cure.

For persons in advanced years who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and needs only to be tried to be appreciated. And to a mother while nursing, these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and before so doing, ask your physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for *Hostetter's Celebrated Stomach Bitters*, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.
